MY SPIRITUAL GIFTS

Tell us about your gifts and we can suggest where you might like to serve.

- Administration** – the ability to understand what makes an organization function and the ability to plan and strategize.
- Encouragement** – the ability to help others gain a positive emotional and spiritual perspective on their circumstances.
- Evangelism** – the desire and ability to share the good news of Jesus Christ with those who haven't heard it before and to talk with those who wish to go deeper in their faith.
- Giving** – the ability to raise and distribute financial gifts.
- Healing** – the ability to be present to people in ways that enable peace and restoration.
- Leadership** – the ability to listen to God and with humility, guide the church in making faithful decisions for its common life.
- Mercy** – the ability to demonstrate and encourage forgiveness and grace.
- Social Justice** – the ability to see the plight of the vulnerable, discuss with them their needs, and to advocate on their behalf.
- Teaching** – the ability to think critically and to lead discussion which allows people to make connections between faith, life, and obedience to God.
- Worship/Liturgy** – the ability to help people connect to God through written and spoken word, prayer, and song.
